Tuesday September 22, 2015 (Please note the Tuesday date)

IMPROVe Dementia Communication - Tami Neumann, CDP & Catherine Braxton

Through the concepts used on the Second City Stage participants will learn how they can lean on the rules of IMPROV to improve their communication with people with dementia. This interactive and fun presentation will help participants to develop validation skills & active listening skills that will work with all types of dementia. Tami and Catherine are the Co-Founders of Silver Dawn Senior Friendly Cities.

Wednesday October 21, 2015

Is it Dementia or Depression? Dr. Neal Bowen, PsyD.

Dr. Bowen will define these conditions and also cover how healthcare professionals differentiate between dementia and depression. Treatments will be briefly discussed. He will also answer any questions and share his perspective on these topics. Dr. Bowen is a Licensed Clinical Psychologist & President of Axis Care Neuropsychology, L.L.C.

Wednesday November 18, 2015

Effective Communication Strategies- Gene Kuhn

Gene Kuhn, Manager of Education and Outreach with the Alzheimer's Association, will explore how communication takes place when someone has Alzheimer's. You will learn to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to help you connect and communicate at each stage of the disease.

Registration is required for these **free** programs.
