Hi all. If you were in the Assessor's or Supervisor's office this afternoon, you received a lot of phone calls from very confused people. That is because I apparently did not uncheck the box for everyone on our e-mail group list for the Township when sending a reminder e-mail to my peer jurors. I sent out a an e-mail within 5 minutes to that same group, informing that it was sent in error and have responded to individuals who have e-mailed me, saying they are confused.

I apologize for all of you who had to field these phone calls.

Hi Lorraine,

I have no emails to share before July 24th that do not involve actual Peer Jury cases, hearings dockets/dates, and follow-up with juveniles, officers and parents. Juvenile names must be protected and cannot be shared.

From July 24th on, I sent emails to notify officers of the situation and their case status (I wasn't aware if they had heard anything yet or not), community service sites (to make arrangements for offenders to complete) concurrent to a new deadline I was given of August 31st, current offenders (cases already seen and on the return dockets) through January-over 70 cases and finally parents and jurors.

The final hearing was on Monday, July 24th, 2017. I strongly urged holding this return hearing so that more cases could be released, since I knew the impact the sudden return of multiple cases would have on the departments and offenders involved. I was notified of the end to the Peer Jury program on Friday, July 21st.

The juror/parent offender data base was very large with no efficient way of sending out multiple emails that I was privy to at the time. Lori handled this end of it. I was not part of other communications that may have been sent. Once I took care of case status, service sites and offenders, I felt that I could notify jurors and parents of the situation including newly interviewed (and accepted) jurors who had yet to be trained in mid-August. For my end of the task to completion, I had to prioritize importance by case load, in order to cause the least disruption possible to our offender families, law enforcement and community service site partners and finally our peer jury volunteers. I sent the parent communications out in groups. Some of the emails kicked back (as often happens) when jurors/parents may change their emails etc. or have aged out of the system and may no longer use their high school email.

I will forward the emails I sent to the departments, community service sites, program volunteer(s) and parents. I will redact any mention of juvenile names and cases in order to maintain privacy. You will have these by end of day.

Cathy

Would you be available on Monday, September 11th? If so, what times would work for me or my mom to come in and get my National Honors Society application signed? If Monday doesn't work, would you be available Tuesday or Wednesday after school hours?

Thank you,

Good. Do we know what communities — how that breaks out? I would think the communities that have a higher number of cases might be more motivated to participate right out of the box.

Ms. Rager,

I participated in Peer Jury this past year. Would you be able to send me something to verify my hours of participation? I attended every month. Also, for my National Honor Society application, I may need a signature to verify my participation in the program. Would it be possible for myself or one of my parents to come to your office sometime to obtain your signature to verify it on my application?

Please let me know if you need any further information. I appreciate your time.

Thank you,

Hey Cathy,

I was just emailing you that I am very saddened to hear that the Peer Jury is coming to an end as it was an amazing and eye opening experience for me the past two years and I loved being able to serve the community I live in. Nevertheless, I wanted to ask if you could let me know how many hours I served with Peer Jury so that I could confirm the number for my school as I prepare to begin college applications in the coming months. I'd really appreciate if you could provide me with that information whenever you are able to and I hope that maybe Peer Jury will be able to return one day!

Best wishes,

Sherwin Thomas

Hi Cathy,

First of all I want to say that I am very upset Peer Jury is not in action anymore. I gained so much from this program, and I know the other jurors did as well. When I talked with the teens who participated in the program, they always talked about what a positive experience they had. It is a shame that this program will not be there for them anymore.

On a different note, I was hoping you could sign my application for NHS to reflect the service hours I completed for Peer Jury and the Downers Grove Township Senior Citizen Car Safety Check. I am happy to bring in the sheet in person if you would prefer.

Best wishes,  
Kelly Lyons

Hi Mrs. Rager,

My name is Hannah Anderson, and I was a peer juror. I was wondering if you could possibly tell me how many hours I accumulated from May 2017 to August 2017?

I would like to apply the hours to NHS at my school, but I can't find the paper that I wrote them down on. I was in the Darien rotation from May to August. My sponsors will probably reach out to you as well to confirm these hours.

Thank you for your help! I'm sad about the end of the program, but I know it helped a lot of people. I hope you enjoy the rest of the summer!

Sincerely,  
Hannah Anderson

Hello,

My name is Robert Lerch, and I served as a peer juror from March up until the program was suspended in July. I am sorry that I waited so long to do this, but I need to confirm my number of service hours for my National Honors Society Application. If you could let me know how many hours I served each month, that would be fantastic. Also, I need a name and phone number of an adult leader, if possible. I can't remember if Lori included a phone number on the peer jury forms, and even if she did, I'm not sure she can be reached through it anymore,

because I heard her position was eliminated due to budget cuts. If you could help me with this in some way, I would greatly appreciate it, but if not, then it's not the end of the world. Also, I would just like to say that I really enjoyed my brief time serving as a peer juror, and I sincerely hope that the program gets reinstated in some way. Thank you, and enjoy the rest of your evening.

Hey Cathy,

Sorry for the slow reply to your email. I started in July, 2011 with the Peer Jury program.

I was the one who spoke at the township board meeting last night along with a lot of other peer jury parents. Kathy Keating also spoke from a volunteer service site perspective.

Mark said that everything was going to be wrapped up with the program on August 31. I think some of the parents were upset that no one had notified the jurors that the program had been "suspended". Kim told me that you were working on a letter to the jurors.

Keep in touch and have a great weekend.

Cindy

Hi Melissa and Ridgeway,

I'm writing to inform you that our Peer Jury Program has ended. Sadly, this happened last week when budget cuts did not allow for us to continue. This 17 year program could not have taken place without the many partnerships from sites, police, volunteers, youth and the community. Thank-you for your support for this program. We value your contribution.

I will be letting the local police and others know that you have been an important resource. They may contact you in the future as a resource as well. I'm not aware of any pending cases with you. We are trying to wind up current cases. If you have any questions, please let me know.

Again, thank-you for your contribution and valuable time!

Respectfully,  
Cathy Rager

Hi Dave,

I have some sad news to share. Our beloved Peer Jury Program has ended. It was very sudden and unexpected. Major budget cuts and reorganization at the Township has caused our 17 year program to come to a close.

I wanted to let you know how much we valued your personal partnership and support, as well as, Presence Behavioral Health. Without our many partners, this program would not have been as successful as it was.

As I let all of our partners know, I will share these resources with them. If you have any questions, please direct them to me. Lori is no longer here at the Township.

Again, thank-you!

Hi Kathy,

I left a message for you on your phone as well. I have very sad news. Our Peer Jury program has ended It happened rather suddenly and is due to a major Human Services reorganization and budget cuts. You have one case with us. The one I sent you earlier this month- " ". I have an absolute deadline of August 31 or them to get their hours completed. It should actually be before that date since I have to verify hours. Do you think you'll have the capacity for her to get those done within this month? If not, I can assign Mom and additional site. Please let me know, and thank you for all you do!

Ryan is wonderful and has completed his hours. I am assumin that Bill took care of the paper work. I do not know the rest of the boys but they are welcome to show up. We had 90 people for dinner on Wed. night. 50 slept over night and 40 ha to leave after dinner. We had no idea the other site was closed and we were the only place to go. We ha food for 60 which somehow stretched to serve 90. YIPES.

I am so sad to here about the peer jury program ending. You have helped so many young people back onto the right path in their lives. Thank you so much for letting us be a part of the journey.

Where is Lori? Looking for work or does she have another job? Or maybe it is confidential. Judy

Hi Judy,

I have some sad news to share. As of last Friday, our Township Peer Jury program has ended and Lori is no longer with the Township. There have been budget cuts and restructuring in our Human Services Dept. causing an abrupt end to a wonderful 17 year program.

That being said, I have until August 31st to completely wind up the program. I am trying to process all cases that have had their initial hearing and been assigned consequences. I am only requiring the services hours and any papers or apology letters that are due in order to clear them.

I have 4 cases with you:

Since I have a solid deadline of August 31st for completion, I just want to make sure that these 4 can complete all their hours. I have notified all the parents of the urgency of completing this by the deadline. If they don't, I would have to send back to the police departments for disposition.

I'm sorry to tell you this way. When we have a chance, we can talk. Right now, I'm completely overwhelmed dealing with this. Thanks for all you do and have done! You've been with us from the beginning. Again, thanks so much. Cathy
