

**DOWNERS GROVE TOWNSHIP  
RFP QUESTIONS/ANSWERS**

**Clarification**

In order to clarify the Townships answer to the question, “May we submit an alternate proposal in lieu of responding to the original proposal request?” as well as questions 3(c) and 14 in the RFP Final Answers, please see the following:

Answer:

All proposals must meet bid specifications and include bids for a one-year term with two (2) automatic renewals. If any bidder wants to submit an alternate proposal or a bid for a longer term, they may do so as supplemental addendum attached to the primary bid. Any proposals submitted in lieu of the bid specification outlined in the Request For Proposal and/or without bids for a one-year term with two (2) automatic renewals will be considered non-conforming. All non-conforming proposals will be eliminated from consideration and the submission fee forfeited.
